AGAIN, WHERE ARE WE HEADING?

There must be as much money in the country today as there was in '28, but, instead of its being widely distributed as it was then, it is evidently in the hands of a few, which may result in a complete change in government and which would, indeed, be unfortunate. The recent action of the United States Senate in voting to confer extraordinary powers on the President may be the first step in that direction. Are we to have a dictatorship in this

PEN ART DEPARTMENT

If there is a demand for the work, we shall soon open a Pen Art Department under the direction of Mr. A. D. Skeels, one of the outstanding pen artists in this country today.

Mr. Skeels is prepared to give instruction in every branch of penmanship, including plain and artis-

of the spring term, April 3. Samples of Mr. Skeels' work will be mailed on request.

THANK YOU, MRS. HARVEY

We have a letter from Mrs. Harriet Reynolds Harvey, '91, of Adrian, in which she gives us the present address of Helen M. Porrett, '91, now Mrs. A. P. Southworth, Sebring, Florida, and she states that Marian E. McKnight, whose married name was Mrs. Charles H. Page, Adrian, died in March, 1902.

democratic country of ours? It would seem that with the great array of economic thinkers and advisors and so-called leaders we have in this country today a way could be devised to put money into circulation again and make it possible for business to carry on as before. Business will not come back from the expenditure of billions for public works for the sole purpose of relieving the unemployment situation. The taxpayer's burden is increased by exactly the amount so expended unless that for

Persons who have taste and talent for, and are interested in, this line of work, should get in touch with Cleary College at once; as, if the department is to be opened, classes should begin at the opening

If others will do as Mrs. Harvey has done, the information will certainly be appreciated.

APPRECIATION

F. J. Eisengruber, '15, of Bay Port, Michigan, writes: "I am enclosing herewith my check for \$1.00 for one year's subscription to the News. I appreciate this paper very much and look forward to its arrival every week. You are to be congratulated in getting out a paper of this kind."

CLEARY COLLEGE FELLOWSHIP NEWS

Dear Mr. Cleary:

I have your letter of February 10 and would state that upon my graduation I returned to Houghton and accepted a position as private secretary to the vice-president and general manager of the Copper Range Railroad Company. From that position I was promoted to assistant train master, assistant superintendent of motor power and then assistant superintendent of the railroad.

I was elected mayor of Houghton six terms and supervisor of Portage Township seven terms, and elected to the Legislature in 1925.

Wishing you and your college the best of success, I am yours very truly, Gus T. Hartman, '01.

THANK YOU, MR. PARSHALL

Robert Parshall, a Cleary student, has presented to the College a neat piece of penwork in the form of a card 10½ by 16 inches, representative of the Fiftieth Anniversary of the College.

Mr. Parshall seems to have a real talent for lettering and designing and should be encouraged in going on with the work or rather in keeping it up in connection with his college work.

THE SPIRIT IS SPREADING

Mr. Henry Morley, manager of the Huron Press, Ypsilanti, has given \$100 to the College Loan Fund. Mr. Morley is not an alumnus of the College and has no interest in it other than that of a friend and wanting to see the Fund grow and the College grow with it. The spirit manifested by Mr. Morley will spread not only to the alumni but to other friends of the College and of education of the type for which Cleary College stands. It is in keeping with the true spirit of the Fiftieth Anniversary of the founding of the College.

WHO, WHERE AND WHAT OF THE ALUMNI

February 13, 1933

Dear Mr. Cleary: Replying to your letter of February 10th, after I left Cleary College I went to work in the G. W. Jones Exchange Bank at Marcellus, Michigan. In 1897 this bank was changed from a private to a state bank by incorporation, and at that time I was made cashier.

In 1901 I came to New Mexico and established the First National Bank of Santa Rosa, New Mexico. While there were many more banks in operation at the time I established this bank, there are now only five banks in the state that have been in business for a longer time than the First National Bank of Santa Rosa. I was cashier of that bank until I came to Tucumcari in 1910, at which time I was made president of the First National Bank of Tucumcari. However, I still retain my controlling

PERSONALS

Former students who called at the College last week were: Helen Orth, '32, Howell; Mr. James D. James, '94, Scranton, Pennsylvania; Mabel Pollakowski, '32, Dearborn. Miss Pollakowski is working for her Commercial Teacher's Degree at the Normal.

SOCIAL

The Men's Union and the Women's League are making plans for a semi-formal party to be held sometime in the spring. It will be the outstanding party of the spring term.

FLINT CLUB

The Flint Club held a meeting last Thursday evening in Room 10 of the College. Many plans were discussed, but nothing definite was settled. They decided, however, to have a speaker at their next meeting and will invite all students who are interested to attend. Definite information will be in the next issue of the News.

GIRLS' BASEBALL

Due to the lateness of the season, the girls have decided to form an indoor baseball team rather than a basketball team. They will practice Monday afternoons, presumably in the Normal gymnasium. We shall need as many girls as are able to come to make a success of the team. Everyone who is interested should see Mary Beach.

BASKETBALL

Cleary College basketball team played the Detroit Y. M. C. A. last Friday evening. The score was 43 to 20 in favor of Detroit.

The team will play the Detroit Business University on Saturday evening of this week. In a former game the fellows were defeated by the Detroit team, but this time they hope to even the score by defeating them.

Dear Mr. Cleary: I was born at Litchfield, Michigan, May 21, 1886. Attended country school through eighth grade and three years in high school at Litchfield. Left high school to work on a farm, after this I worked for about a year in a grocery store. Left in 1905 to attend Cleary College. Started to work in Kalamazoo in 1906, with the Kalamazoo Corset Company as billing clerk. Worked there eight years, being promoted from time to time until I reached the position of cashier.

On account of small salary I did accounting work outside of the office in the evenings and on Sundays, thus gaining considerable experience.

In 1916 I took over the accounting system of the Kalamazoo State Hospital. Only stayed there one year and then entered the field of journalism with the Kalamazoo Gazette. Here I seemed to have found my niche, for within three years I was promoted so fast that at one time I was office, circulation, classified and national advertising manager, and in 1921 the paper was sold to The Booth Newspapers, Incorporated, and I was made manager, which position I held until entering the larger field as manager of The Flint Daily Journal on March 1, 1931. This newspaper also being owned by The Booth Newspapers, Incorporated.

During 1931 I was asked to systematize the accounting system of all eight of our papers in Michigan.

During my later years at Kalamazoo I was on the board of directors of the Chamber of Commerce, president and district governor of the Exchange Club, was on the Museum and Art Board, member of Elks, Mason and Park Club; also the Kalamazoo Country Club and Maple Hills Golf Club.

Since coming to Flint I have been elected to the Board of Governors of the Rotary Club, Board of Directors of the Chamber of Commerce, member of the Flint

The Women's League met Tuesday in the auditorium of the College to plan its work for the remainder of this term.

It was voted to give a St. Patrick's party on March 10 at the College for the students, the decorations, refreshments and entertainment to be appropriate to the occasion. A charge of 10 cents will be made to defray the expenses. If there is a balance after the expenses are paid, it will be added to the sum pledged by the Women's League for the College Endowment Fund. There will be dancing throughout the evening, the music to be furnished by the college orchestra under the direction of Mr. Frank Panek.

We have several student directories left, which we are closing out at 15 cents, while they last! Get one from Miss Leone Smith.—Jewel Pinkston, President.

Country Club and Flint City Club, and vice-president of the Bureau of Social Service. Yours very truly, Earl R. Chapman.

Dear Mr. Cleary: Under another cover I am sending you the fiftieth anniversary booklet of the Michigan Millers Mutual Fire Insurance Company, thinking it may be of interest to you. As you will note (pages 16-17), I have been with the company thirty-five years. It does not seem so long since I was at Cleary College, but there is no denying the fact that I graduated in 1896.

I enjoy the weekly receipt of Cleary College Fellowship News, even though few of the names appearing therein are familiar to me.

With best wishes to yourself and all connected with the work at Cleary, I am sincerely yours, Carrie L. Sheppard, Private Secretary
